Our Katrina experience was:
Because of a family emergency, we were in Texas at the time of the Hurricane. but our son & his wife & 2 small children were here. We could not get in touch with them so we drove home the Tuesday after the Hurricane & dodged fallen trees from Jackson to Waveland (Forever)

Write something special that you would like Santa to bring you or your family:
New house & furniture, especially a recliner & something bigger than a 12" TV.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Upon arriving our home was destroyed but thank God, our family had survived.
